

BRING OUT YOUR INNER DRAMA QUEEN!

Create an Entertaining
Evening for your WI
10TH OCTOBER

**The Cornerstone
Stafford ST16 3EQ
10.00am-4.00pm**

Have you ever thought it might be fun to create an entertainment for your WI that would cost you very little, require minimum rehearsal and be fun for all involved?

Come along to a day course at The Cornerstone on Saturday 10th October to find out how this can be achieved. Using all kinds of printed material and the imagination of the ladies who attend, we will devise a performance around a theme. There may even be tips about how to do this for Christmas!

No previous experience is necessary and you may come along on your own or as a group.

Wear comfortable clothes and shoes as you will definitely be moving around!

Plenty of laughter may also be involved!

Tea/coffee biscuits will be provided but you may wish to bring along a packed lunch.

Roadside parking available on a Saturday.
