We also have a list of Speakers on our Facebook page for Zoom talks.

CAN YOU HEAR ME?

Many speakers ask this question of our members. The loudest replies are 'yes' and come from those who can. Some speakers say, 'Oh. I don't need a microphone'. Some sit down so not all members can see them which is frustrating.

It is time for all who have difficulty in hearing others to be '**Heard**'. This applies to every group whether WI or not. Let us consider every one of our members by ensuring they can enjoy a meeting as much as someone without any hearing loss.

If a hearing induction loop is available in the meeting room, make sure it is switched on and remind those with a hearing aid to turn their device to the T position. **ALL MEMBERS** deserve the same treatment as those with full hearing so let us rethink the way we present our meetings and ensure that we have equality within every WI by supplying all speakers with a microphone - hands free where necessary, and asking them to stand when speaking whenever possible.

How to plan your programme and use the Speakers' Book

When planning your programme, remember that the monthly meeting is the most vital part of WI life, that the speaker is the highlight of the meeting and funds spent on good speakers is money well spent.

An imaginative and varied selection of talks or demonstrations will keep members interested and attract new ones. With the help of a programme-planning sub-committee, try to provide subjects they would like to hear. Purely social activities, parties, outings etc should be arranged as extras and not take place instead of the monthly meeting.

This book is revised regularly and additional recommendations of speakers prepared to visit WIs are welcome. The Staffordshire Federation does, however, reserve the right to delete, retain or add names of speakers and demonstrators.

When booking speakers, secretaries should apply by email, or in writing enclosing a stamped addressed envelope for reply. Printed booking forms are available from County Office. The following points should be mentioned:

- 1 - Title of talk, or exact nature of demonstration, required.
- 2 - Date of meeting.
- 3 - The Speaker would appreciate a designated parking place.
- 4 - Place of meeting, village and hall, good directions to find the hall, including the postcode; a sketch map is helpful; whether public transport is available; any possible charge for car parking.
- 5 - Time at which speaker will begin and length of time allowed for the talk.
- 6 - Approximate size of audience.
- 7 - Enquire as to equipment to be provided for a demonstration or illustrated talk.
- 8 - Ask about fees and travelling expenses - the cost of petrol and diesel continues to rise.

REMEMBER: When booking speakers **PLEASE** make sure you ask for **CURRENT FEES AND TRAVELLING EXPENSES**

Remember to send a reminder to the speaker a fortnight before the Meeting - printed forms are also available from Federation Office.

If a speaker cancels at short notice please, ring Federation Office on 01785 223838, they may be able to help.

We do not recommend that speakers should sell items at WI meetings. If unavoidable, then ten per cent commission on sales should be paid to the WI.

The SFWI publishes the following list of speakers in good faith, believing the details to be accurate. The Federation does not hold itself responsible for any misunderstandings or ill effects that may arise from the booking of any speaker on the list.

WI ADVISERS

Please get in touch with your Contact Area Adviser if you would like to arrange a visit. WI Advisers will discuss or speak on any aspect of WI activities, and may be contacted at short notice.

THE POWER OF THE PRESS

Do you take time to tell others what your WI gets up to? Do you have someone who is responsible for writing Press Reports? If not, consider a shared responsibility - a rota when a different Member writes a Report each month.

Local press are generally very happy to print WI reports so long as they meet certain criteria. It is a very good way to raise your profile and attract Visitors to your meetings – and if they like what they see they may become new Members.

SFWI's Press Officer has put together a Procedure Note to help you harness the Power of the Press and would be happy to give advice on anything publicity related.
